NJ ESTADO FISICO DEPORTIVO INCLUIDO***

Formularios físicos de KIPP Newark

Los formularios en este paquete deben ser completados por el medico de su hijo y el padre/tutor

- Este paquete fisico vence en 30 dias a partir de:
- Estudiantes que regresan: 30 dias desde el primer dia de clases
 - Nuevos estudiantes: 30 dias desde el registro

*Al enviar este formulario, le recomendamos **ENCARECIDAMENTE** que lo envíe directamente a la oficina de la enfermera para asegurarse de que no se pierda.*

Estimado Padre/Tutor,

En KIPP NJ nos enorgullecemos de brindar la mayor atención médica posible a todos y cada uno de nuestros académicos. Nuestra misión y alegría en la vida es asegurarnos de que cuando su hijo entre al edificio de su escuela, no solo reciban una educación de calidad, sino que también estén seguros, felices y saludables!

Para lograr este objetivo de académicos seguros, felices y saludables, necesitamos su ayuda!

Se requiere que todos los nuevos estudiantes entrantes presenten el formulario Físico KIPP NJ (que debe haberse completado hace menos de 12 meses), así como un registro de vacunación actualizado.

Si tiene dificultades para completar los requisitos establecidos anteriormente, tenga en cuenta los siguientes recursos para su comodidad:

Recurso de inmunización:

Newark Dept. of Child & Family Wellness
110 William Street, Newark, NJ 07102
973-733-7580

Si tiene alguna pregunta o inquietud sobre cualquiera de los documentos que requerimos, no dude en comunicarse con nosotros. ¡Estaremos más que felices de ayudarlo a encontrar recursos o servicios de salud para su hijo!

Seccion 1: INFORMACION GENERAL

El nombre del estudiante _____ Fecha de nacimiento _____

Nombre de los padres _____ Numero de telefono de los padres _____

Puede comunicarse la enfermera de la escuela con el médico del estudiante? Sí No

Puede entregarse información de salud a la enfermera de la escuela? Sí No

Cuenta el estudiante con un seguro de salud? Sí No

Seccion 2: ALERGIAS

ALERGIAS ALIMENTARIAS

Enumere cualquier alergia o sensibilidad
ejemplos: manteca de maní, leche, huevo, frutos del mar, etc.

PICADURAS DE ABEJAS

Es el estudiante alérgico a las picaduras de abeja?

Sí No

MEDICAMENTOS

Enumere cualquier alergia o sensibilidad
ejemplos: penicilina, insulina, etc.

PÓLEN

Enumere cualquier alergia o sensibilidad
ejemplos: ambrosía, moho, etc.

Seccion 3: MEDICAMENTOS EXTRANJEROS Y TRATAMIENTO DE EMERGENCIA

Por el presente doy mi autorización a KCNA para que administre los medicamentos que se enumeran a continuación al estudiante identificado en este formulario, según se indique en las *órdenes médicas vigentes de KCNA* emitidas por el médico escolar.

Acepto que no se podrán presentar reclamos por responsabilidad contra KCNA ni contra sus empleados en caso de que administren medicamentos en conformidad con esta autorización. Me comprometo a mantener indemne a KCNA y a sus empleados frente a todo tipo de reclamos, daños, gastos, honorarios de abogado, demandas, juicios, causas o causas de acción que pudieran presentarse contra la red o sus empleados en vinculación con la administración de tales medicamentos. Esta autorización conservará su vigencia hasta que sea revocada por mí por escrito. Es mi intención quedar legalmente obligado por esta autorización.

En caso de que no sea posible comunicarse con el padre, madre o tutor, por el presente doy mi autorización a KCNA para que obtenga atención médica de emergencia para el menor identificado en este formulario, incluidas radiografías, y divulgar información con respecto al expediente de salud, diagnóstico, condición o historial de salud de mi hijo/a, incluido cualquier diagnóstico posterior que pudiera complementar este formulario. Cualquier representante debidamente autorizado de la escuela que sea responsable por mi hijo/a cuando la enfermera de la escuela no esté disponible o cuando el estudiante no esté en las instalaciones de la escuela (p. ej., durante viajes escolares) podrá entregar esta información a quien corresponda.

MEDICAMENTOS CON RECETA

Todos los medicamentos serán administrados por la enfermera de la escuela. En ausencia de personal médico capacitado, deberá convocarse a una auxiliar de enfermería para que administre los medicamentos a los estudiantes. La enfermera de la escuela será la que se encargará de delegar, capacitar y entrenar al personal no médico en cuanto a cómo administrar epinefrina únicamente en casos de reacciones alérgicas graves.

Para que se administren medicamentos con receta en la escuela el médico tratante deberá llenar un *formulario de administración de medicamentos* que indique el nombre de la droga, la dosis, cuándo debe administrarse y el diagnóstico o motivo de su uso. Deberá llenarse un formulario de *Plan de acción para asma* para todos los estudiantes que sean asmáticos. Al inicio de cada año lectivo, deberá llenarse un nuevo formulario para asmáticos.

Todos los medicamentos con receta que se traigan a la escuela deberán venir en su empaque original y con la identificación correspondiente del químico farmacéutico. Los padres deberán traer y recoger todos los medicamentos. No se entregará un medicamento a los estudiantes a menos que tengan una autorización por escrito de sus padres.

Se desecharán todos los medicamentos que no se recojan el último día de clases.

Iniciales de padre o madre/tutor: _____

MEDICAMENTOS SIN RECETA

Los únicos medicamentos sin receta que proveerá y administrará la escuela serán los que se indiquen en las *órdenes médicas vigentes*, según lo que prescriba el médico escolar de KCNA y para los fines que este indique. Los medicamentos para estas afecciones solamente se administrarán si el padre, madre o tutor firman un formulario para medicamentos sin receta, el cual deberá estar en el archivo de la oficina de salud. No deberán traerse medicamentos sin receta a la escuela a menos que vengan acompañados de una nota del médico, la cual deberá estar firmada por el padre, madre o tutor.

No se permitirá que ningún estudiante lleve ningún tipo de medicamentos consigo durante el día de clases, a excepción de aquellos que un médico lo haya autorizado para autoadministración. En esos casos, los estudiantes deberán tener en su archivo un formulario de administración de medicamentos, y de ser posible medicación extra en la oficina de salud. El médico tratante también deberá documentar que está de acuerdo en que el estudiante lleve consigo su propia medicación. Es importante destacar que esta posibilidad no está disponible para estudiantes de nivel elemental.

Iniciales de padre o madre/tutor: _____

VIAJES ESCOLARES

Es importante recordar que la enfermera escolar no acompañará al personal docente y a los alumnos en los viajes escolares. Los padres o tutores deberán asegurarse de que su hijo/a reciba los medicamentos que necesita durante las salidas, y de que sepa cómo utilizar cualquier medicación recetada o seguir cualquier tratamiento prescrito durante dichas salidas. Tenga en cuenta que los docentes no están autorizados a administrar medicamentos durante los viajes escolares.

Iniciales de padre o madre/tutor: _____

MEDICAMENTOS HOMEOPÁTICOS Y VITAMINAS

La escuela no administrará este tipo de medicamentos a menos que el médico haya enviado una autorización por escrito, la cual deberá estar firmada por los padres.

Iniciales de padre o madre/tutor: _____

PRIMEROS AUXILIOS DE RUTINA

El médico del distrito brindará indicaciones todos los años en cuanto a atención de primeros auxilios de rutina y medicamentos de emergencia, así como con respecto a artículos sin receta tales como soluciones para lavado de ojos, bacitracina, Caladryl, ungüento de vitamina A y D, toallitas para picaduras de insectos, bactina, gel para quemaduras y lavado antiséptico Band-Aid para rutinas de atención de primeros auxilios.

Iniciales de padre o madre/tutor: _____

OTROS LINEAMIENTOS

Será responsabilidad de los padres entregar a la escuela todos los medicamentos de receta y dispositivos médicos necesarios, tales como tubos y máscaras para nebulizadores, jeringas de insulina y agujas. La escuela proveerá nebulizadores.

Todos los medicamentos administrados deberán anotarse en el registro diario de medicamentos, sea por motivos de emergencia o de rutina. Si al estudiante se le administran medicamentos IEP también deberán registrarse en el SEMI. Cualquier error en la administración de medicamentos deberá informarse al médico del distrito para que puedan tomarse medidas correctivas de manera inmediata.

Medicamentos y Alergias: Por favor, indica todos los medicamentos con y sin receta médica y suplementos (herbales y nutricionales) que estás tomando actualmente

Tienes alergias Sí No Si la respuesta es sí, por favor identifica abajo la alergia específica.
 Medicamentos Polen Comida Picaduras de insecto

Explica abajo las preguntas respondidas con un "sí". Pon un círculo alrededor de las preguntas cuyas respuestas desconoces.

PREGUNTAS GENERALES	Sí	No
1. ¿Alguna vez un doctor te ha prohibido o limitado tu participación en deportes por alguna razón?		
2. ¿Tienes actualmente alguna condición médica? Si es así, por favor identificala abajo: <input type="checkbox"/> Asma <input type="checkbox"/> Anemia <input type="checkbox"/> Diabetes <input type="checkbox"/> Infecciones Otro: _____		
3. ¿Has sido ingresado alguna vez en el hospital?		
4. ¿Has tenido cirugía alguna vez?		
PREGUNTAS SOBRE LA SALUD DE TU CORAZÓN	Sí	No
5. ¿Te has desmayado alguna vez o casi te has desmayado DURANTE o DESPUÉS de hacer ejercicio?		
6. ¿Has tenido alguna vez molestias, dolor o presión en el pecho cuando haces ejercicio?		
7. ¿Alguna vez has sentido que tu corazón se acelera o tiene latidos irregulares cuando haces ejercicio?		
8. ¿Te ha dicho alguna vez un doctor que tienes un problema de corazón? Si es así, marca el que sea pertinente <input type="checkbox"/> Presión alta <input type="checkbox"/> Un soplo en el corazón <input type="checkbox"/> Nivel alto de colesterol <input type="checkbox"/> Una infección en el corazón <input type="checkbox"/> Enfermedad de Kawasaki <input type="checkbox"/> Otro: _____		
9. ¿Alguna vez un doctor te ha pedido que te hagas pruebas de corazón? (Por ejemplo, ECG/EKG, ecocardiograma)		
10. ¿Te sientes mareado o te falta el aire más de lo esperado cuando haces ejercicio?		
11. ¿Has tenido alguna vez una convulsión inexplicable?		
12. ¿Te cansas más o te falta el aire con más rapidez que a tus amigos cuando haces ejercicio?		

PREGUNTAS SOBRE LA SALUD DEL CORAZÓN DE TU FAMILIA	Sí	No
13. ¿Has tenido algún familiar que ha fallecido a causa de problemas de corazón o que haya fallecido de forma inexplicable o inesperada antes de la edad de 50 años (incluyendo ahogo, accidente de tráfico inesperado, o síndrome de muerte súbita infantil)?		
14. ¿Sufre alguien en tu familia de cardiomiopatía hipertrófica, síndrome Marfan, cardiomiopatía arritmogénica ventricular derecha, síndrome de QT corto, síndrome de Brugada, o taquicardia ventricular polimórfica catecolaminérgica?		
15. ¿Alguien en tu familia tiene problemas de corazón, un marcapasos o un desfibrilador implantado en su corazón?		
16. ¿Ha sufrido alguien en tu familia un desmayo inexplicable, convulsiones inexplicables, o casi se ha ahogado?		
PREGUNTAS SOBRE HUESOS Y ARTICULACIONES	Sí	No
17. ¿Alguna vez has perdido un entrenamiento o partido porque te habías lesionado un hueso, músculo, ligamento o tendón?		
18. ¿Te has roto o fracturado alguna vez un hueso o dislocado una articulación?		
19. ¿Has sufrido alguna vez una lesión que haya requerido radiografías, resonancia (MRI) tomografía, inyecciones, terapia, un soporte ortopédico/tabla, un yeso, o muletas?		
20. ¿Has sufrido alguna vez una fractura por estrés?		
21. ¿Te han dicho alguna vez que tienes o has tenido una radiografía para diagnosticar inestabilidad del cuello o inestabilidad atlantoaxial? (Síndrome de Down o enanismo)		
22. ¿Usas regularmente una tabilla/soporte ortopédico, ortesis, u otro dispositivo de asistencia?		
23. ¿Tienes una lesión en un hueso, músculo o articulación que te esté molestando?		
24. ¿Algunas de tus articulaciones se vuelven dolorosas, inflamadas, se sienten calientes, o se ven enrojecidas?		
25. ¿Tienes historial de artritis juvenil o enfermedad del tejido conectivo?		

(Por favor, continúe)

PREGUNTAS MÉDICAS	Sí	No
26. ¿Toses, tienes silbidos o dificultad para respirar durante o después de hacer ejercicio?		
27. ¿Has usado alguna vez un inhalador o has tomado medicamento para el asma?		
28. ¿Hay alguien en tu familia que tenga asma?		
29. ¿Naciste sin o te falta un riñón, un ojo, un testículo (varones), el bazo, o algún otro órgano?		
30. ¿Tienes dolor en la ingle o una protuberancia o hernia dolorosa en el área de la ingle?		
31. ¿Has tenido mononucleosis (mono) infecciosa en el último mes?		
32. ¿Tienes algún sarpullido, llagas, u otros problemas en la piel?		
33. ¿Has tenido herpes o infección de SARM en la piel?		
34. ¿Has sufrido alguna vez una lesión o contusión en la cabeza?		
35. ¿Has sufrido alguna vez un golpe en la cabeza que te haya producido una confusión, dolor de cabeza prolongado, o problemas de memoria?		
36. ¿Tienes un historial de un trastorno de convulsiones?		
37. ¿Tienes dolores de cabeza cuando haces ejercicio?		
38. ¿Has tenido entumecimiento, hormigueo, o debilidad en los brazos o piernas después de haber sufrido un golpe o haberte caído?		
39. ¿Has sido alguna vez incapaz de mover los brazos o las piernas después de haber sufrido un golpe o haberte caído?		
40. ¿Te has enfermado alguna vez al hacer ejercicio cuando hace calor?		
41. ¿Tienes calambres frecuentes en los músculos cuando haces ejercicio?		
42. ¿Tienes tú o alguien en tu familia el rasgo drepanocítico o la enfermedad drepanocítica?		
43. ¿Has tenido algún problema con los ojos o la vista?		
44. ¿Has sufrido alguna lesión o daño en los ojos?		
45. ¿Usas lentes o lentes de contacto?		
46. ¿Usas protección para los ojos, tal como lentes protectoras o un escudo facial?		
47. ¿Te preocupa tu peso?		
48. ¿Estás intentando aumentar o perder de peso o alguien te ha recomendado que lo hagas?		
49. ¿Estás siguiendo alguna dieta especial o evitas ciertos tipos de comida?		
50. ¿Has tenido alguna vez un trastorno alimenticio?		
51. ¿Tienes alguna preocupación de la que quieras hablar con el doctor?		

SÓLO PARA MUJERES	Sí	No
52. ¿Has tenido alguna vez el período menstrual?		
53. ¿Qué edad tenías cuando tuviste tu primer período menstrual?		
54. ¿Cuántos períodos has tenido en los últimos 12 meses?		

Explica aquí las preguntas a las que respondiste con un "sí"

Yo por la presente declaro que, según mi más leal saber y entender, mis respuestas a las preguntas anteriores están completas y son correctas.

- Odors (Irritants)
 - Cigarette smoke & second hand smoke
 - Perfumes, cleaning products, scented products
 - Smoke from burning wood, inside or outside
- Weather
 - Sudden temperature change
 - Extreme weather - hot and cold
 - Ozone alert days
- Foods:
 - _____
 - _____
 - _____
 - _____
- Other:
 - _____
 - _____
 - _____
 - _____

This asthma treatment plan is meant to assist, not replace, the clinical decision-making required to meet individual patient needs.

CAUTION (Yellow Zone)

You have any of these:

- Cough
- Mild wheeze
- Tight chest
- Coughing at night
- Other: _____

If quick-relief medicine does not help within 15-20 minutes or has been used more than 2 times and symptoms persist, call your doctor or go to the emergency room. And/or Peak flow from _____ to _____

Continue daily control medicine(s) and ADD quick-relief medicine(s).

MEDICINE	HOWMUCH to take and HOW OFTEN to take it
D Albuterol MDI (Pro-air [®] or Proventil [®] or Ventolin [®])	2 puffs every 4 hours as needed
D Xopenex [®]	2 puffs every 4 hours as needed
D Albuterol D 1.25, D 2.5 mg	1 unit nebulized every 4 hours as needed
D Duoneb [®]	1 unit nebulized every 4 hours as needed
D Xopenex [®] (Levalbuterol) D 0.31, D 0.63, D 1.25 mg	1 unit nebulized every 4 hours as needed
D Combivent Respimat [®]	1 inhalation 4 times a day
D Increase the dose of, or add:	
D Other	

If quick-relief medicine is needed more than 2 times a week, except before exercise, then call your doctor.

EMERGENCY (Red Zone)

Your asthma is getting worse fast:

- Quick-relief medicine did not help within 15-20 minutes
- Breathing is hard or fast
- Nose opens wide • Ribs show
- Trouble walking and talking
- Lips blue • Fingernails blue
- Other: _____

And/or Peak flow below _____

Take these medicines NOW and CALL 911. Asthma can be a life-threatening illness. Do not wait!

MEDICINE	HOWMUCH to take and HOW OFTEN to take it

Asthma Treatment Plan – Student Parent Instructions

The **PACNJ Asthma Treatment Plan** is designed to help everyone understand the steps necessary for the individual student to achieve the goal of controlled asthma.

- 1. Parents/Guardians:** Before taking this form to your Health Care Provider, complete the top left section with:
 - Child's name
 - Child's doctor's name & phone number
 - Parent/Guardian's name & phone number
 - Child's date of birth
 - An Emergency Contact person's name & phone number
- 2. Your Health Care Provider** will complete the following areas:
 - The effective date of this plan
 - The medicine information for the Healthy, Caution and Emergency sections
 - Your Health Care Provider will check the box next to the medication and check how much and how often to take it
 - Your Health Care Provider may check "OTHER" and:
 - ✓ Write in asthma medications not listed on the form
 - ✓ Write in additional medications that will control your asthma
 - ✓ Write in generic medications in place of the name brand on the form
 - Together you and your Health Care Provider will decide what asthma treatment is best for your child to follow
- 3. Parents/Guardians & Health Care Providers together** will discuss and then complete the following areas:
 - Child's peak flow range in the Healthy, Caution and Emergency sections on the left side of the form
 - Child's asthma triggers on the right side of the form
 - Permission to Self-administer Medication section at the bottom of the form: Discuss your child's ability to self-administer the inhaled medications, check the appropriate box, and then both you and your Health Care Provider must sign and date the form
- 4. Parents/Guardians:** After completing the form with your Health Care Provider:
 - Make copies of the Asthma Treatment Plan and give the signed original to your child's school nurse or child care provider
 - Keep a copy easily available at home to help manage your child's asthma
 - Give copies of the Asthma Treatment Plan to everyone who provides care for your child, for example: babysitters, before/after school program staff, coaches, scout leaders

PARENT AUTHORIZATION

I hereby give permission for my child to receive medication at school as prescribed in the Asthma Treatment Plan. Medication must be provided in its original prescription container properly labeled by a pharmacist or physician. I also give permission for the release and exchange of information between the school nurse and my child's health care provider concerning my child's health and medications. In addition, I understand that this information will be shared with school staff on a need to know basis.

FILL OUT THE SECTION BELOW ONLY IF YOUR HEALTH CARE PROVIDER CHECKED PERMISSION FOR YOUR CHILD TO SELF-ADMINISTER ASTHMA MEDICATION ON THE FRONT OF THIS FORM.

RECOMMENDATIONS ARE EFFECTIVE FOR ONE (1) SCHOOL YEAR ONLY AND MUST BE RENEWED ANNUALLY

I do request that my child be **ALLOWED** to carry the following medication _____ for self-administration in school pursuant to N.J.A.C.:6A:16-2.3. I give permission for my child to self-administer medication, as prescribed in this Asthma Treatment Plan for the current school year as I consider him/her to be responsible and capable of transporting, storing and self-administration of the medication. Medication must be kept in its original prescription container. I understand that the school district, agents and its employees shall incur no liability as a result of any condition or injury arising from the self-administration by the student of the medication prescribed on this form. I indemnify and hold harmless the School District, its agents and employees against any claims arising out of self-administration or lack of administration of this medication by the student.

I **DO NOT** request that my child self-administer his/her asthma medication.

Name: _____ D.O.B.: _____

Allergy to: _____

Weight: _____ lbs. Asthma:] Yes (higher risk for a severe reaction) [] No

NOTE: Do not depend on antihistamines or inhalers (bronchodilators) to treat a severe reaction. USE EPINEPHRINE.

Extremely reactive to the following foods: _____

THEREFORE:

If checked, give epinephrine immediately for ANY symptoms if the allergen was likely eaten.

If checked, give epinephrine immediately if the allergen was definitely eaten, even if no symptoms are noted.

FOR ANY OF THE FOLLOWING:

SEVERE SYMPTOMS

 LUNG Short of breath, wheezing, repetitive cough	 HEART Pale, blue, faint, weak pulse, dizzy	 THROAT Tight, hoarse, trouble breathing/swallowing	 MOUTH Significant swelling of the tongue and/or lips
 SKIN Many hives over body, widespread redness	 GUT Repetitive vomiting, severe diarrhea	 OTHER Feeling something bad is about to happen, anxiety, confusion	OR A COMBINATION of symptoms <u>from different</u> body areas.

↓ ↓ ↓

- INJECT EPINEPHRINE IMMEDIATELY.**
- Call 911.** Tell them the child is having anaphylaxis and may need epinephrine when they arrive.
 - Consider giving additional medications following epinephrine:
 - » Antihistamine
 - » Inhaler (bronchodilator) if wheezing
 - Lay the person flat, raise legs and keep warm. If breathing is difficult or they are vomiting, let them sit up or lie on their side.
 - If symptoms do not improve, or symptoms return, more doses of epinephrine can be given about 5 minutes or more after the last dose.
 - Alert emergency contacts.
 - Transport them to ER even if symptoms resolve. Person should remain in ER for at least 4 hours because symptoms may return.

MILD SYMPTOMS

 NOSE Itchy/runny nose, sneezing	 MOUTH Itchy mouth	 SKIN A few hives, <u>mild itch</u>	 GUT Mild nausea/discomfort
---	--	---	---

FOR MILD SYMPTOMS FROM MORE THAN ONE SYSTEM AREA, GIVE EPINEPHRINE.

FOR MILD SYMPTOMS FROM A SINGLE SYSTEM AREA, FOLLOW THE DIRECTIONS BELOW:

- Antihistamines may be given, if ordered by a healthcare provider.
- Stay with the person; alert emergency contacts.
- Watch closely for changes. If symptoms worsen, give epinephrine.

MEDICATIONS/DOSES

Epinephrine Brand: _____

Epinephrine Dose: [] 0.15 mg IM [] 0.3 mg IM

Antihistamine Brand or Generic: _____

Antihistamine Dose: _____

Other (e.g., inhaler-bronchodilator if wheezing): _____

EPIPEN® (EPINEPHRINE) AUTO-INJECTOR DIRECTIONS

1. Remove the EpiPen Auto-Injector from the plastic carrying case.
2. Pull off the blue safety release cap.
3. Swing and firmly push orange tip against mid-outer thigh.
4. Hold for approximately 10 seconds.
5. Remove and massage the area for 10 seconds.

AUVI-Q™ (EPINEPHRINE INJECTION, USP) DIRECTIONS

1. Remove the outer case of Auvi-Q. This will automatically activate the voice instructions.
2. Pull off red safety guard.
3. Place black end against mid-outer thigh.
4. Press firmly and hold for 5 seconds.
5. Remove from thigh.

ADRENACLICK®/ADRENACLICK® GENERIC DIRECTIONS

1. Remove the outer case.
2. Remove grey caps labeled "1" and "2".
3. Place red rounded tip against mid-outer thigh.
4. Press down hard until needle penetrates.
5. Hold for 10 seconds. Remove from thigh.

OTHER DIRECTIONS/INFORMATION (may self-carry epinephrine, may self-administer epinephrine, etc.):

Treat the person before calling emergency contacts. The first signs of a reaction can be mild, but symptoms can get worse quickly.
